## INTRODUCTION

Since the 2000s, Yeung Hok Tak (b.1970, Hong Kong) has been prolifically depicting people and scenes unique to the land of Hong Kong in rich, at times psychedelic colours, exploring in depth the complicated relationship between nostalgia, memory and social change by making delicate or rough marks on paper and canvas. Over the years, Yeung has developed a singular aesthetic, upon which the artist further forms in recent time an urgent, critical painting practise that is deeply concerned with the social and political of the region. Yeung rediscovers fragments of memory buried deep in the collective consciousness, juxtaposing historical and contemporary subjects in romantic and surreal ways, to question the meaningfulness and legitimacy of historical developments and social progress.

From a graphic design and illustration background, Yeung Hok Tak started publishing his cartoon works and comic strips on the *Cockroach* in 1998. In his first publication, the semi-autobiographical comic book *How blue was my valley* released in 2002, he directly confronted nostalgia, and recalled the long-gone scenes of the demolished old Lam Tin Estate where the artist spent his childhood. Nostalgia has been an element of import in Hong Kong and Cantonese contemporary cultures: for years, nostalgic feelings overwhelm cultural fields and realms that are closely tied to consumerism, as northern China cultures are on the rise and becoming invasive. Reminiscing over the glory of the Hong Kong film industry, revisiting the golden age of Hong Kong pop music, or leafing through Hong Kong cartoons, comics or manga that hold a unique position as it bridges local visual and literary cultures – nostalgic practises are one of the most prominent expressions of Hong Kong's identity politics. The nostalgic tendency re-states the genealogical relationship between the locals and their cultural belongings, negotiating the distances with foreign, at times threatening cultures, and with the present, drastic social change. All of Yeung's nine cartoon books to date tackle the profound theme of nostalgia and memory by closely examining the urban landscapes of Hong Kong in the 1980s and 1990s, childhood memories and the total transformation of local social cultures.

In Yeung Hok Tak's paintings, his treatment of nostalgic themes differ largely from representations of nostalgia in general. Viewers can rarely spot in his recent series clichéd characters and scenes that are mostly associated with convenient, consumerist stereotypes of Hong Kong; Yeung's favoured iconic elements – from clustered residential buildings, isolated mountains and isles, double-decker buses, Queen's Pier, or the Victoria Harbour Clock Tower erected in 1915 – are frequently transplanted into surreal contexts, crystallised in void, sparsely populated environments. Yeung sometimes presents excessively emptied canvases, found in which are subject matters that are relic-like, theatricalised, tranquil yet absurd. Be it an isolated rock mountain frequented only by avian beings (*The Lion in Winter*, 2021), a speedy street brawling scene (*Oh, A Royalist!?*, 2022), or human figures and fantastic creatures escaping towards outside of the canvas (*Defy Slippery*, 2022, or *Enter The Fire Dragon*, 2022) – Yeung's subjects are rendered passionately cold, as radicalised and isolated fragments of memory tend to be.

Speaking of his recent paintings, Yeung Hok Tak admits that he is less interested in treating Hong Kong as an isolated exception than to consider the city's history and future from a greater geopolitical perspective. His recent exhibition at Kiang Malingue, "What a big smoke ring" in 2022 speaks of the artist's ambivalence regarding nostalgia, history and memory: on the one hand, Yeung in his signature fashion supplements the series of luscious paintings with texts that are often unequivocally cynical and irreverent regarding recent developments and crises. The artist's text for *Crackling, Spluttering, Roaring* (2022) for example, reads: "...Let's embrace the bright future, splash tear jerking fireworks, until all break down in tears." For *I Will Come for You* (2022), Yeung writes: "Can I leave now? I am so bored. I need to go dine, shop and see movies, go to the gym, the club and the karaoke, get a haircut, a lipo and a facial, play mah-jong, cards and bet on horses... Nope, there are no other activities. What other schemes do you think I am up to?"

On the other hand, regarding his oeuvre as a whole and the appearance of nostalgic gestures, Yeung acknowledges the fallacy of brooding over the good old days. The past is not simply superior, and one has to be attentive to means through which histories are manipulated and fabricated. Narrating the story of a friend who either stubbornly refuses new technologies, or has simply disappeared in *Don't Have Any Smart Phone* (2021), or rewriting old Victoria's reluctance regarding interacting and playing with "us" in *Play Hide-and-peek with Victoria* (2022), Yeung has in recent years presented artworks that are ever more complicated in terms of both staging conflicting views, and producing forms that grow organically from his early cartoon works and other inspirations from art history.

## 介紹

楊學德 (b.1970, 香港) 自2000年代起便以絢麗、迷幻的色彩描繪香港的人和事, 通過細膩或粗獷的筆觸探索懷舊情緒、記憶及社會變遷的複雜關係。多年來, 藝術家發展出了獨特的具象美學, 並於近期形成了一種與緊迫社會政治現狀息息相關的繪畫實踐。楊學德挖掘集體意識中的記憶碎片, 將歷史及當代主題以浪漫或超現實的手法並置, 質詢歷史發展及社會進步的意義。

楊學德曾修習平面設計及插圖, 從1998年開始在「甲由漫畫」連載漫畫作品, 於2002年出版首部半自傳式漫畫書《錦繡藍田》, 肆意宣洩懷舊情緒並描繪了消逝的藍田邨印象。懷舊是香港乃至粵語文化區當代文化中的重要因素: 多年來, 隨著北方文化南下, 懷舊情緒在與消費主義相連的不同文化領域蔓延。無論是懷念香港電影黃金年代的光輝, 香港流行音樂的統治地位, 抑或是香港本地漫畫取得的成就——懷舊即是香港身份政治的重要表達形式之一。懷舊傾向確保了本地社群的代際親緣及文化歸屬, 協調了與外來文化及當代社會變遷的關係。楊學德目前為止出版的九本漫畫書均從不同維度探索了懷舊情緒與記憶, 仔細地檢視了1980年代及1990年代香港的都市語境、童年記憶以及當地社會文化的劇變。

楊學德在近年創作的繪畫作品與一般意義上的懷舊藝術不同, 觀眾難以在其中一睹與消費主義相連的刻板印象或文化符號。他常描繪的母體包括: 逼仄的公寓大樓; 孤山、孤島; 雙層巴士; 皇后碼頭, 或是1915年建立的維港鐘樓。楊學德將這些形象嫁接至超現實語境中去, 凝結在人煙稀少的虛空環境中。藝術家時而呈現空蕩的畫面, 其中的事物如歷史古蹟一般矗立, 充滿戲劇性、寧靜卻又荒誕。無論是孤獨、僅有海鳥光顧的山峰 (《冬天的獅子》, 2021); 充滿速度感的街頭鬥毆 (《哦! 你戀英》, 2022), 或是想要從畫面中出走逃逸的人類及異獸 (《唔怕跌》, 2022, 及《龍出沒注意》, 2022) ——楊學德的主題形象均帶有記憶碎片特有的冰冷激情。

在談及近期繪畫創作時, 楊學德承認他並不感興趣於孤立處理香港主題, 而是旨在於更為寬廣的地緣政治語境考慮城市的歷史及未來。他在2022年於馬凌畫廊舉辦的展覽「好大個煙圈」討論了懷舊、歷史與記憶

的曖昧關係: 在一方面, 楊學德以其標誌性風格為展覽中的每一件豔麗繪畫作品撰寫了與當下時事密切相關的調侃、譏諷論調文字。《火花霹靂啪啦》(2022): 「踏上光明的前途吧, 快來人掃射催淚的煙花, 讓大家都感動到淚崩為止。」《我要出去射爆你》(2022): 「我出得去未呀? 好悶呀, 我要去食飯行街睇戲、做gym落club唱K、飛髮抽脂做facial、打牌操啤入馬場……冇咩, 冇其他活動啦, 你認為我仲會有乜嘢企圖先?」

另一方面, 在考慮其整體藝術實踐及懷舊姿態時, 楊學德並不認為過去的時光就是絕對美好的。過去並不一定更好; 藝術家也提醒, 我們必須要關注重寫歷史的諸多嘗試。在回憶一位不使用智能手機的朋友時 (《我有智能電話》, 2021), 或是重新書寫維多利亞與「我們」的複雜關係時 (《和維多利亞捉迷藏》, 2022), 楊學德呈現了互相矛盾、衝突的深邃歷史觀點, 並創造出了有機地生長於其早期漫畫創作及藝術史參照的熱烈、惆悵畫面。

Kiang Malingue, Hong Kong  
馬凌畫廊·香港

21.09-19.10.2024

Kiang Malingue is pleased to present “I See You There”, Yeung Hok Tak’s second exhibition with the gallery after “What A Big Smoke Ring” in 2022. Showcasing nineteen new paintings at the gallery’s Tin Wan 12F space, Yeung balances lyricism and cynicism on canvas by depicting a variety of characters, landscapes and stories that are nostalgic, amusing and affectionate.

In the last fifteen years, Yeung has developed a unique painting practice that incorporates his rich experience as a comic book author. Dealing with a variety of subjects—such as absurd turns of events on the streets, lonely and defiant figures against epically silent backgrounds, or fantasy stories and fables in which animals and action figures play prominent roles—Yeung’s exuberant paintings explore intimate emotions, treasured memories, and complex relationships between people and places.

In “I See You There”, large-scale paintings including *Faintly Hearing Auld Lang Syne* (2024) is exemplary of a new style, which involves a particularly luminous palette and a suavely smooth surface. The brilliant, crisp compositions romanticise classic Hong Kong landscapes by introducing surreal elements, and by telling stories that are nostalgic and extraordinary in essence. In a number of smaller paintings, Yeung also returns to the subjects of friendship and familial love, carefully portraying eccentric, otherworldly characters that either disrupt or harmonise the urban life in a strange way. *All My Gundams Had Been Trashed* (2024) tells one of Yeung’s favourite stories: gundams and teen spirits getting old. The gundam and his nemesis are both homeless now, killing time in a bloody sunset. Both *Junior Lion Dancing Club* (2023) and *Street Interview* (2024) deal with juveniles by depicting “lion cubs” in different states: the adorable, exhausted children in the former are having a break, while the heavily-maned werelion in the latter is having a breakdown.

*Gonna Get You All* (2024) features an intimidating dragon playing hide-and-seek in a residential area with children. Yeung’s short story that goes with the painting encapsulates the complicated nature of his art, combining contentious political ideas and sincere messages of care: “...A hider has to be cautious and leaves no traces; once caught, he must in turn assimilate and become the seeker. It’s no fun when everybody is the same. Don’t conceal yourself too much though, or mom and dad won’t be able to find you.” For *Nothing To Declare* (2024), a painting of a casual exhibitionist waiting for the train with a bubble tea in his hand, Yeung wrote: “As you can see, I am a bona fide gentleman who has always been honest and has nothing to hide. If you still have any doubts, I will be happy to discharge the pearl I have just swallowed for your examination.” With a unique sense of humour, Yeung deals with preposterous realities, reimagining the ways in which outsiders, dissidents and goners situate themselves in rapidly changing environments.

馬凌畫廊榮譽呈獻「老地方見」，楊學德繼2022年「好大個煙圈」後於畫廊的第二次個展。此次於馬凌畫廊田灣空間12層展出的共十九件新近繪畫作品進一步發展了楊學德平衡抒情與戲謔主題的嘗試，在描繪眾多角色、風景及故事的同時流露與香港風貌變遷相對應的或詼諧或真摯思鄉情緒。

在過去十五年中，楊學德以其悠久的漫畫創作史為基礎，發展出了一種獨特的繪畫實踐風格。他在創作中處理豐富多樣的主題——於街角開展的荒誕事件；桀驁不馴地與沉寂的宏大背景對峙的孤獨人物；以動物或手辦為主要角色的的奇幻故事或寓言等——以或舒展或奇異的鮮麗畫面探索了個人情感、珍貴回憶，及人物地點之間的複雜關係。

在「老地方見」中，《隱約聽到Auld Lang Syne》(2024) 等大型畫作代表了楊學德繪畫風格在近年的轉向：更為透亮明媚的色譜，及更為平整順滑的繪畫表面。飽滿潔淨的構圖通過有超現實意味的元素將經典香港風景浪漫化，鋪陳了有懷舊意味的獨特敘事。在多幅相對小尺幅的作品中，楊學德再次關注了友誼和家庭等主題，並細心刻劃了以怪誕方式介入日常生活的奇異角色。《老婆扰晒我啲高達》(2024) 講述了楊學德常回顧的主題：老去的高達和青春。畫面中的高達和渣古均已被趕出家門，在殘陽中無所事事。《少獅隊》(2023) 及《街訪》(2024) 描繪了在不同狀態中的獅崽：前者中的可愛舞獅孩童筋疲力盡蹲坐著休息，而後者中的大腹便便獅子則無精打采、迷茫過活。

《伏匿匿》(2024) 中的巨龍在居民區與孩童玩捉迷藏；楊學德搭配作品寫就的簡短故事歸納了其藝術創作的複雜特質，結合了有隱喻意味的字句及真摯情感：「.....伏匿匿，又叫捉衣人或捉迷藏，躲者要藏得無跡可尋，給捉到了要跟捕手同化，每個人也一模一樣便不好玩了。但不要躲得太隱秘，免得爸爸媽媽也找不到你。」《冇嘢要申報》(2024) 描繪了一個手持珍珠奶茶等地鐵的露體狂；楊學德配文：「如你所見，本人乃是一位坦蕩蕩的漢子，向來待人以誠，沒有任何隱藏。 如果你還有懷疑的話，我很樂意排出剛剛吞下的珍珠給你檢驗。」楊學德以出人意料的荒謬探索離奇現實，重新想像局外人、異鄉人及邊緣人物在環境劇變過程中自處的方式。

「從前上學時，公車沿途會經過山谷中的廢車場，我對廢墟自此着迷。滿目瘡痍，斑駁陸離，廢品被堆砌出錯亂、荒涼的美感。可能心中要有某些疤痕，才會喜歡頹廢的美。現在的人都是潔癖的秩序狂，總覺得廢墟很礙眼，缺陷不吉利，要把整片土地也覆蓋着水泥，要美白得像天堂。」

“When I was in school, the bus would pass by a junkyard in the valley, and I have been fascinated by ruins ever since. The devastation, the patchwork—the piled-up junk gives off a messy, desolate beauty. Maybe you have to have some scars in your heart to love the beauty of decadence. Nowadays, people are all order freaks who think that ruins are an eyesore, that they are defective and ominous, so much so that they want to cover the whole land with concrete and whitewash it to look like a paradise.”

“After the 3rd interview I was there at the final interview. Is this dream job not a sure thing already? I had no idea however that the chairman of this large-scale listed group is not a human. 「有時會幻想，如果時光倒流，可以讓我回到青春年代，一切重來，那麼我一定會把握好某些關鍵時刻，作出正確決定。對重要的人，要好好珍惜，相處時避免犯同樣的錯。還要努力儲錢，不去吃喝玩樂，投資在現今最有前景的行業中去。我不知道這樣的人生會否更加美滿，但我頗為肯定這樣的自己不會是一個畫家。」

“Sometimes I fantasize that if I could go back to my youth and do it all over again, then I would definitely grasp certain key moments and make the right decisions. I would cherish important people and avoid making the same mistakes when I am with them. I would also try my best to save money and not to indulge in things, but to invest in the most promising industries. 「行走江湖，雄激素作祟，總會結上冤家。不方便在大街上私了，這裏又不是羅馬，找不到鬥獸場。只好相約到屋邨後山的公園，以切磋為名，一決高下。遇到巡邏，即時耍起太極，這叫宏揚國粹，友誼第一。趁對手還未回神，插眼撩陰，武德算甚麼。事前預計好公車到站時間，受重創的人一定追不上來，只能邊掩着痛處邊罵卑鄙。而勝者已經安坐在公車上層，扮個鬼臉，大笑着揚長而去。這樣快慰而幼稚的劇情倒是幻想過的，現實中當然從未發生過。」

“In the streets, male hormones always bring you into troubles. It's not convenient to settle the matter on the spot—this is not Rome, and there are no colosseums around. So a duel is scheduled in the park at the back of a village to fight it out in the name of friendly match. The presence of a patrol immediately turns it into a Tai Chi practice, changing it into a means to promote national cultures, prioritising friendship over competition. One has to, just when the opponent is distracted, poke his eyes and go for his crotch—who gives a hoot about principles and rules. Timing the cheap shots right, you can hop right after on the bus, and the victim will never be able to get back at you, but can only cover up the pain while calling names. The winner is already sitting comfortably on the upper deck of the bus, making a funny face and laughing as he runs away. Such a happy and childish scenario is a fantasy, but of course it has never happened in reality.”

「為什麼不管好你的車子，縱容它隨處放蕩，不能說車子還少不懂事，它強奪了我的寶貴初吻。人車戀只會是孽戀，你要賠償我的情傷。」

“Why don't you look after your car, and just let it loose everywhere? You can't say the car is still young and naive; it just took away my precious first kiss. Love between a man and a car is impossibly sinful, you have to compensate me for the love injury.”

「做人真係煩，成日都要處理危機，總係要揀下救邊個先。阿媽先定老婆先？經濟先定環境先？烏克蘭先定以色列先？人類先定動物先？咁容易揀就唔使煩，都係交番俾觀音姐姐揀好嘞。」

“Being a human being is such a bummer. You have to deal with crises all the time, and you always have to choose which one to save first. Mom first, wife first? Economy first, or environment first? Ukraine first, or Israel first? Human beings first, or animals first? It wouldn't be a hassle if it is so easy a call, just leave it to Sister Kwun Yum then.”

馬凌畫廊·香港

18.6.22 - 14.8.22

楊學德在馬凌畫廊香港空間舉辦的首個個展，也將首次使用馬凌畫廊田灣工作室的第十三層展覽空間。「好大個煙圈」旨在全面展示楊學德長達二十年的藝術實踐的最新發展，其中的大量作品以豔麗、迷幻的色彩及獨特的幽默感探索了城市歷史的複雜性質，並探測了當下與未來的多變難測發展進程。

展覽標題「好大個煙圈」是一個錯誤：楊學德時而想起歌手威利於1981年創作的歌曲《好大個網》，卻將歌曲標題及歌詞誤記為「好大個煙圈」。對於楊學德來說，這是一個滑稽但有重要意義的謬誤——他以錯誤的個人記憶為起始點在近年繪製了一系列與記憶、懷舊情結及歷史的動態關係緊密相連的繪畫作品。隨著代際更迭，歷史敘事終將被不斷重寫、覆蓋再重寫。在每日現實中，作為美好或優越性的歸屬地的「舊時光」總是不穩定的，不斷地被生活於當下的人們扭曲、改寫。

The title of the exhibition, What a big smoke ring speaks of a case of mis-remembrance: Yeung Hok Tak recalls listening to Hong Kong singer William Fung Wai Lam's 1981 hit *What a big web*, but mistakes the title and lyrics of the song. For the artist, this is a laughable yet critical point of departure for the recent series of paintings that largely explores the dynamic of memory, nostalgia and history. Historical narratives are deemed to be written, crossed out and re-written as a generation follows or defies another. In everyday reality, the beauty or superiority of the good old days is a highly contested matter, subject to constant manipulations and fabrications.

Yeung Hok Tak in recent years has frequently alluded to the notion of rewriting the past, and its haunting reappearance in realistic scenarios and dreams. Old-timers, robots, games and other figures serving as tokens and memorabilia from memory populate scenes such as in *Captive of Times, I Will Come For You, Play Hide-and-Seek With Victoria*. Meticulously and playfully depicted, is an impossible co-existence of anachronistic beings, faithfully representing a series of situations in which collective memory fragments reemerge and come into the foreground as the world turns.

The tension between truth and false memory is also a liberating force, enabling Yeung Hok Tak to render at length narratives that are magical and mesmerising, including those found in *Enter the Fire Dragon, Hungry Cloud 1 & 2, Pork Pagoda*, and *Crackling, Spluttering, Roaring*. The highly stylised monochrome pieces such as *To Catch the Ghosts* and *Dazzled* intricately delineate surreal, labyrinth-like landscapes, exploring construction and collapse of fantasies and dreams.

The formation of Yeung Hok Tak's latest painting practise pertain also to conflicting ideas of speed. The accelerated human figures, animals, androids and clouds march and roam towards outside of the picture, in stark contrast to majestic mountains and wonderfully lit cityscapes that stand obtusely still. In this sense, the recent body of work is expressive in nature: caught between desiring rapid, escapist transformations on the one hand, and defending stubborn traditions on the other, Yeung Hok Tak combines the social and the romantic in a singular painterly aesthetic that is sincere, confessional and critically engaging. Furthering emphasising the candid aspect of his oeuvre, Yeung has also written texts for each of the individual artworks shown in the exhibition. Humorous and at times stingy, Yeung produces a space between his paintings and writings in which imaginative and conflicting views are put to work.

「好大個煙圈」展出楊學德近年創作的二十餘幅繪畫作品。此次展覽是藝術家在馬凌畫廊香港空間舉辦的首個個展，也將首次使用馬凌畫廊田灣工作室的第十三層展覽空間。「好大個煙圈」旨在全面展示楊學德長達二十年的藝術實踐的最新發展，其中的大量作品以豔麗、迷幻的色彩及獨特的幽默感探索了城市歷史的複雜性質，並探測了當下與未來的多變難測發展進程。

楊學德於近年開展的繪畫實踐頻繁討論重新譜寫歷史敘事的意義，也常在現實或虛幻情景中加入如魂靈般飄然存在的歷史碎片。過去的人物、玩具及其他面貌紛雜的形象作為記憶的具象體現充斥於《歲月的俘虜》、《我要出去射爆你》、《和維多利亞捉迷藏》等作品中。這些作品通過或細膩或戲謔的手法描繪了來自不同時期的異質事物的詭異共存關係，真實地再現了在當下多舛世界中集體回憶碎片重新成為大眾慾望所向的過程。

真實與虛假記憶之間的張力也帶有解放性力量，允許楊學德自由地在多幅繪畫作品之間譜寫連綿的文學性敘事片段。《龍出沒注意》、《餓雲 1&2》、《生豬肉塔》、《火花霹靂啪啦》均展現了奇幻而讓人入迷的景象。高度風格化的單色作品《捉鬼》及《幻覺嚟嘅啫》以細密的催眠式紋樣描繪了超現實、迷宮般的風景，探索了幻想與夢境的結構邏輯。

在發展其最新繪畫實踐時，楊學德將不同類型的速度視為穿插於眾多作品的重要母題之一。作品中的人物、動物、機器人及雲朵往往嘗試以不同速度逃離畫面，而威嚴的山峰或是燈火通明的城市景觀則以遲緩、停滯的姿態帶來巨大的反差。在這個意義上，楊學德的近期繪畫表現了藝術家個人的矛盾傾向：一方面期待快速、逃避主義式的旅程，另一方面又不無頑固地為傳統及保守做出辯護。藝術家以獨特繪畫美學將社會現實關注與浪漫主義傾向相結合，繪製誠摯而帶有鮮明批判性的繪畫作品。與此同時，他也為每一件作品撰寫了如超短篇小說一般的介紹——楊學德用幽默、時而尖刻的文字與繪畫共同為富有想像力的、激烈且互不相容的觀點提供了交流發展的空間。
